Want to participate in an event that will make a difference in the lives of children?

Join the Camp Trillium team and participate in a week long stationary (24 hours a day) bike-a-thon, **Cycling the Seven C's!**

Our goal is to never let the bike stop for the whole week and raise \$20,000 which will send 40 kids to camp.

Accept the challenge today: sign up as a cyclist, gather pledges, get your company involved, or simply make a pledge!
